

Partner with Space Coast USBC to Support Community Bowling and Youth Development

Dear Potential Sponsor,

The **Space Coast USBC Bowling Association, Inc.** is the dedicated governing body for sanctioned bowling in Brevard County, FL. As a **501(c)(3) nonprofit organization**, our mission is to foster a love for bowling within our community, providing a fantastic way for individuals and families to connect and enjoy a sport that offers both competitive and social engagement.

Our fiscal bowling season runs annually from **August 1st to July 31st**. We proudly serve approximately **2,900 sanctioned bowlers** across the county. Throughout the year, we host **six major bowling tournaments** at various centers in Brevard, alongside other engaging fundraising events.

These fundraising efforts are crucial, directly supporting our vital **Youth Scholarship Program** and our comprehensive **Awards Program** for both adults and youth. Since 2001, we've awarded over 70 scholarships to deserving high school graduating seniors, with a minimum of **three \$1,000 scholarships** presented annually. These scholarships empower our young bowlers to pursue higher education, recognizing their dedication and achievement in the sport.

Our tournaments, while popular, generate limited funds from participant fees. An average of \$5 per bowler covers administrative costs, and about \$15 per bowler goes into the prize fund. With typical participation ranging from 75 to 150 bowlers per tournament, this modest income makes it challenging to adequately fund first-place trophies, substantial prize payouts, and other essential elements of a high-quality event.

This is where your partnership can make a significant difference. We are actively seeking support to enhance our programs and events. Would you consider contributing through:

- **Product samples, coupons, or gift cards** to be distributed to our 75-150 tournament participants? This is an excellent way to introduce your products or services directly to a engaged local audience.
- **Monetary donations** to help us sustain and grow our scholarship and awards programs, improve tournament experiences, and further our mission?

By partnering with us, you'll gain valuable exposure and demonstrate your commitment to community development. The positive experiences and smiles of our bowlers will directly reflect well on your company, creating a positive association that can translate into increased awareness and sales for your business.
